

Name: Maryam Taherzadeh
Student ID:19529
Course: CS 571 Cloud Computing

Redeeming GCP grant for NPU

Process

1. Click on the redeem link
2. as you can see the below, Enter your First Name and Last Name then apply your NPU Email then click submit

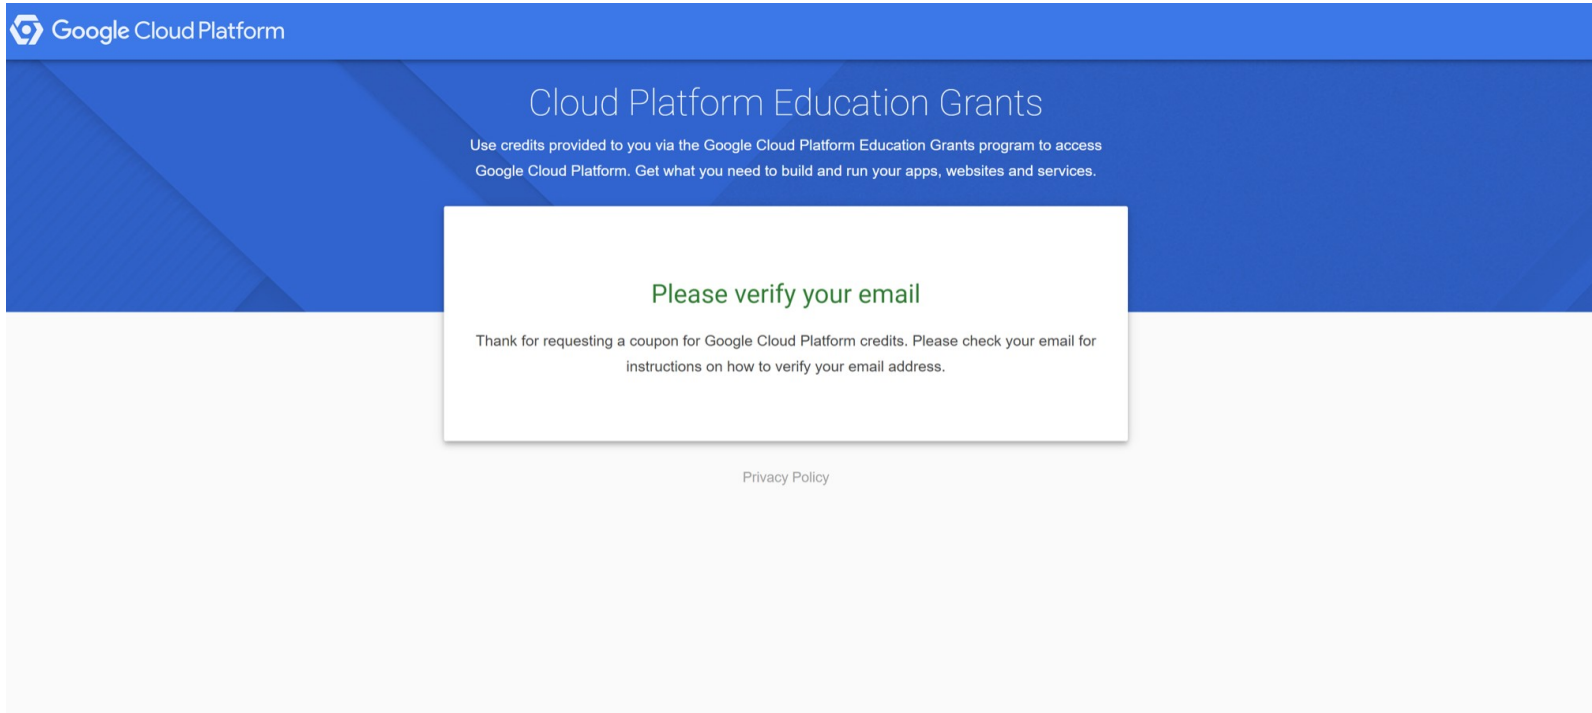

The screenshot shows the Google Cloud Platform Education Grants redemption page. The header is blue with the Google Cloud Platform logo. The main heading is "Cloud Platform Education Grants". Below it, a subheading reads: "Use credits provided to you via the Google Cloud Platform Education Grants program to access Google Cloud Platform. Get what you need to build and run your apps, websites and services."

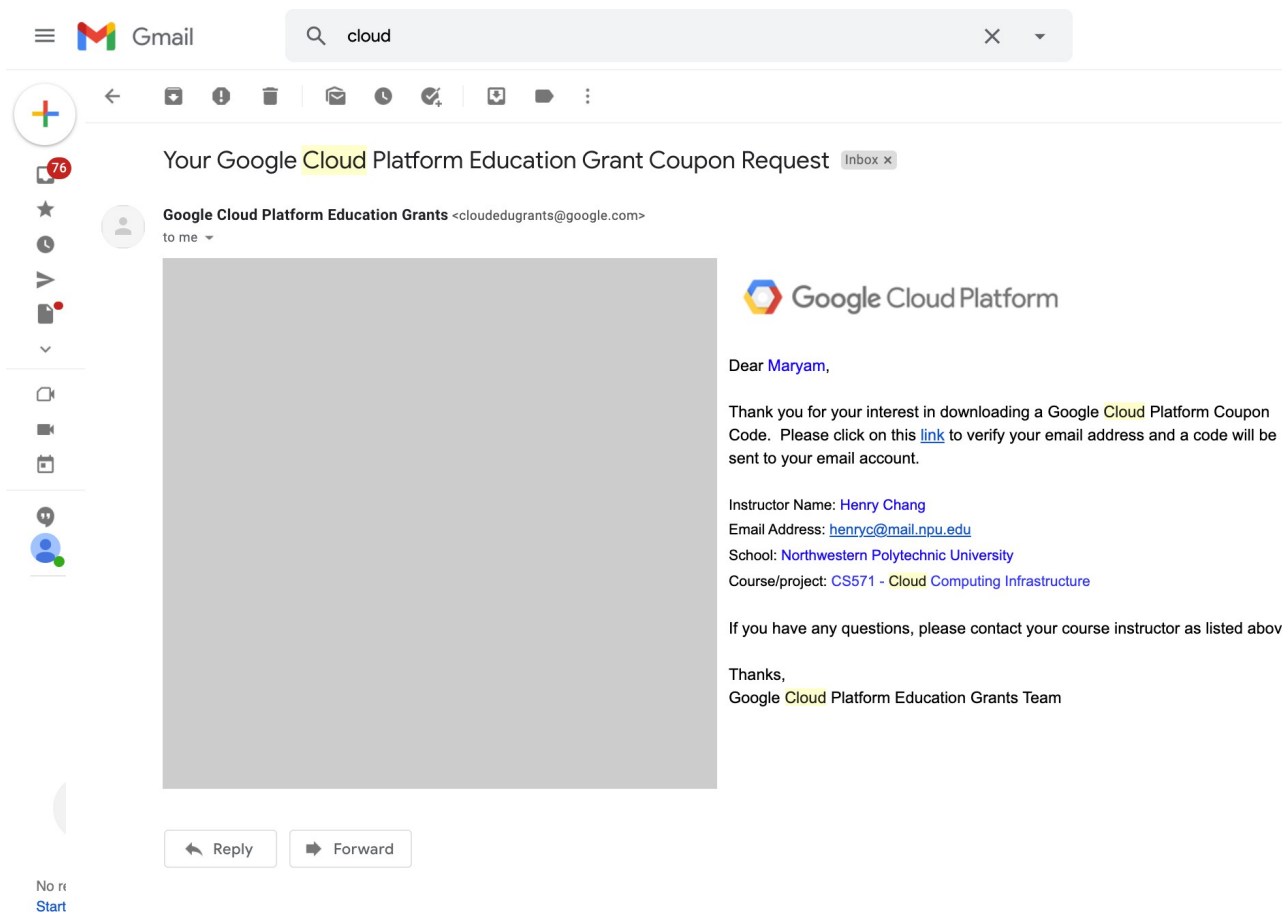

The form itself is a white box with a light gray border. It contains the following fields and text:

- A thank you message: "Thank you for your interest in Google Cloud Platform Education Grants. Please fill out the form below to receive a coupon code for credit to use on Google Cloud Platform."
- Two input fields for "First Name" and "Last Name".
- A "School Email" input field with a dropdown menu showing "@mail.npu.edu".
- A note: "If you do not see your domain listed, please contact your course instructor: henryc@mail.npu.edu".
- A disclaimer: "By clicking 'Submit' below, you agree that we may share the following information with your educational institution and course instructor (henryc@mail.npu.edu) : (1) personal information that you provide to us on this form and (2) information regarding your use of the coupon and Google Cloud Platform products."
- A blue "Submit" button.

3. After that you will see the screen which ask you to verify your email ID

4. when you clicked on the link which you received in your email after that you will see the below screen. You will receive another email with your Google Cloud Platform Education Grant Coupon with Course/Project Information details below it

tome ...

Google Cloud Platform
